DigiCalendar has created the World's only Digital Day to Day Advent Calendar

Turn every day into a blessing this Holiday Season with the Digital Day to Day Advent Calendar - Most popular Christmas Scriptures/Nativity Scenes change automatically every day

Boca Raton, Florida Nov 22, 2022 (<u>Issuewire.com</u>) - DigiCalender has come up with the World's only Digital Advent Calendar. The calendar is the result of many religious organizations and pastors seeking an Advent Calendar based on scripture.

This is the best way for your Family to keep Christ in Christmas during the Holidays. Perfect Christian, Religious Gift for Women., Men and Families.

Every day during December the most popular Christmas Verses change automatically every day. A terrific alternative to the traditional calendars. Beautiful Colored Inspirational Nativity Scenes accompany each daily biblical verse.

No need to ever purchase another Advent Calendar again – DigiCalendar programmed thru the year 2075. Use this year after year.

Desk Calendar Includes Time/Clock with Alarm. The device is powered by electricity. The remote control is included for easy setting time and date. A nice alternative to other Advent calendar options. No need to ever touch the device as Motion Sensor triggers On/Off.

This One of a kind new product is only available thru Amazon. You will not find it in stores or any other online sites. Guaranteed Lowest Price!
