

DJ Zman Drops Brand New Singles Under the Label Freedom Recordings

Talented Indiana electronic music artist, DJ Zman sets the mood high of the listeners with his latest EDM & dance bangers namely 'Aura' and 'Stimulation Broken'.

Nashville, Nov 9, 2022 ([Issuewire.com](https://www.issuewire.com)) - Let's welcome **DJ Zman** with his latest production and compositions of new-age EDM and dance music. The artist has recently dropped a single project titled '[Aura](#)' that starts with high-octane bass beats and slowly catches its groove with electronic swathes that creates a captivating soundscape. Offering a groovy head-bopping essence through the musical arrangement, the track proceeds through a stellar journey while inviting all the listeners to join the dance floor. The musician has masterfully utilized occasional pauses, mic drops, and smooth transitions that made the piece even more engaging and enveloping for everyone. Spanning around 4 minutes and 43 seconds, it is a perfect musical treat for the club hoppers.

There is another musical project recently released under the label of Freedom Recordings named '[Simulation Broken](#)'. This is another precious contribution by DJ Zman that reflects his consistency, creativity, and dedication to coming up with something unique. This track maintains its BPM and intensity through the soundscape while there are multiple immersive moments of rise and fall. The DJ has done an amazing job in crafting these singles that reflect his creative psyche. Freedom Recordings is the latest multi-genre record label established by Zman under which his musical projects are getting released.

Previously, this talented [Indiana electronic music artist](#) has garnered a lot of attention with earlier releases. But the latest projects are offering a fair share of experimentation with EDM which is quite

refreshing and engaging for all. Some of the recent projects like 'The American Dream', 'Trademark', 'LLC', 'Hardwork', 'Craft', etc to name some. Each of these creations is a milestone on his never-ending prolific musical journey. The DJ is all set to come up with even more exciting tracks in the coming days.
