you love to your feet away on the dance floor, the talented [Indiana electronic music artist](#), **DJ Zman** is the boon for the party animal in you. Through his multi-genre record label Freedom Recordings, he dishes out what is quintessential creativity, exemplified in tracks like '[LLC](#)' and '[Hardwork](#)'. His tracks are characterized by soaring instruments that spin a web of musical layers that are simultaneously delicate and chaotic. The meandering flow of his music carries us through a hypnotic realm of electronic music that gets us shimmying and swaying.

In all of his tracks, **DJ Zman** makes it prominent that instead of fully giving himself to the Electronic flow of music, he has added his personal touch to every beat that gives his music a zest of positivity that is infectious and alluring. The wave-like musical progression in his tracks such as - 'The American Dream', 'Trademark', and 'Craft' creates a dissonance that gives his music a boldness of theme and execution. The minimalism or absence of vocals highlights his musical prowess in its full glory with no distractions. The implied optimism and bright undertones of his music add an unparalleled charm to his music.
