

Drex, an AMPS Company, Selected for BenefitsPRO Luminaries Class of 2022

Phoenix, Arizona Nov 14, 2022 ([IssueWire.com](https://www.issuewire.com)) - [Drex](https://www.drex.com), an AMPS Company, has been named to BenefitsPro Luminaries Class of 2022 in the Leadership category.

This professional recognition program celebrates top benefits professionals and organizations that strive to transform and humanize the benefits business and set a bright example within the industry. Honorees are selected by a panel of industry experts based on how well they stated and achieved goals with regard to the nomination category; how impactful their work has been; how dedicated the nominee has been to furthering modernization and humanization in the insurance business; and the nominee's commitment to the highest ethical standards as well as dedication to service and excellence.

"This year's honorees exemplify how leading benefits professionals are moving their industries toward a brighter future and producing meaningful results in the areas that matter most to employers, employees, and the future of the benefits and healthcare landscape" says BenefitsPRO Editor In Chief Paul Wilson. "Our team is excited to recognize these industry thought leaders and innovators as part of our inaugural LUMINARIES program."

[Anthony Masotto](#), Executive Vice President of Pharmacy for Drex states "the prescription drug sector is one of the most convoluted industries in the world, with little to no transparency in a broken design system. Drex is changing that by empowering its plans and members to take back control of their drug cost through consumerism and competition. We are honored to be noticed for our commitment and dedication."
