Delaware city, Nov 21, 2022 ([Issuewire.com](https://www.issuewire.com)) - The holiday season is approaching and so is cheerful music with spirited tunes. As an early Christmas present, the gospel artist **Gigi P. Rivera** is treating her fans with the latest music video release of her single. The music video contains the stronger than ever screen presence of the artist that captivates the attention of the audience. The video of '[Christmas is here](#)' will bring in the perfect mixture and culmination of musicality and talent that is worth watching. The video has the potential and ability to become the most well-known track of the artist's discography. The video contains vibrant visuals and carries the holiday spirit which can easily uplift the entire room's mood.

The music video for '**Christmas is here**' is a fine example of a gospel track that is composed so exceptionally well that it is bound to top the charts as well. It has not been long since the artist started in the music industry. Her first single 'He Is Here' was released in 2019 that captured the attention of music lovers worldwide. In this short period, she has gathered an adequate amount of followers which proves the deviant talent of the artist. [Gigi P. Rivera](#) has this time produced a track that will evoke the spiritual feeling inside the audience. The track is composed of vibrant musical tunes and upbeat music. The artist was also successful in expressing her spiritual thoughts and her trust in Jesus through well-written lyrics. On top of that, the magical vocal tunes of the artist are impressive which takes the track to another level.

The video also has a featuring artist Chozenn that delivers a beautiful performance increasing the alluring effect of the track. The visuals are charming focusing mainly on the artist and the featured artist where both of them seemed as cheerful and vibrant as ever. This is the soul of the music video along with the preprocessing vocals and lyrics. On top of that, the expressive nature added a beautiful touch that increased the appealing charm of the track. You can watch the track on YouTube along with Gigi's previous tracks such as 'I Love You', 'But God', and 'BIG UP MI GOD', and listen to it on [Apple Music](#). Follow her on [Twitter](#), [Instagram](#), [Facebook](#), and her [website](#) for further insights.
