

Grace Hope Treatment & Recovery Centers

Grace Hope Treatment & Recovery Centers, Inc. has opened the doors to its residential treatment center for alcohol and drug addiction to the community of Fontana, California.

Barrow, Alaska Nov 9, 2022 ([Issuewire.com](https://www.issuewire.com)) - At Grace Hope Treatment & Recovery Centers, Inc., our residential inpatient treatments are very structured, organized, and effective. Our center is located in a peaceful neighborhood in beautiful Fontana, CA. This minimizes stress and uncertainty among residents and allows for the safest and most supportive environment for healing and addiction recovery. Grace Hope clients are immersed in a unique therapeutic environment tailored to the individual. Our counselors are highly trained in uncovering and addressing the underlying causes of addiction. By combining the most current therapeutic and cognitive behavioral methods with more traditional 12-step therapy, Grace Hope consistently shows that a happy, long-term recovery from addiction is within reach for anyone willing to ask for help.

Interested individuals and families can learn more about the services Grace Hope Treatment & Recovery Centers, Inc. offers at their Fontana, California center by visiting their website at <https://gracehoperecovery.com/> or by calling 866-618-0016.
