

## Inna Vinnikov, DMD, a Dentist in Private Practice

Get to know Dentist Dr. Inna Vinnikov, who serves patients in Langhorne, Pennsylvania.

**New York City, New York Nov 1, 2022 ([IssueWire.com](https://www.issuewire.com))** - A devoted dentist, Dr. Vinnikov prides herself on affording caring, personalized, and high-quality family dentistry that improves her patients' well-being. Her dental office, located in Langhorne, Pennsylvania, is equipped with the latest technology, and she and her expert and welcoming staff are ready to provide top-notch care in a space that can only be described as bright and spacious with many windows and natural light.

Her comprehensive scope of dental services ranges from routine cleanings and checkups to fillings and root canals to cosmetic and restorative work and implants to periodontal needs. She also offers sedation services in her dental clinic and, when necessary, collaborates with various dental specialists throughout the area to discuss more comprehensive cases and utilizes a team approach in order to obtain the best results for her patients.

Academically, Dr. Vinnikov completed her undergraduate studies, receiving a Bachelor of Science degree in Health Information Systems, at Temple University in Philadelphia. She later went on to earn her Doctor of Medicine in Dentistry degree at the Temple University School of Dentistry, graduating in 2005.

With over 15 years of postdoctoral experience in the dental field, she has received certifications in the use of Botox, Invisalign, The Hiossen Implant System, Phlebotomy and Platelet-Rich Fibrin, Laser Treatment, CAD/CAM (Computer-aided Design/Computer-aided Manufacturing), and completed a Dental Implant Training Residency.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.
