Los Angeles, California Nov 24, 2022 ([Issuewire.com](https://www.issuewire.com)) - Jackery, a global company with over 2 million unit sales, is a pioneer in the solar generator industry and well known for its range of power generators including portable power stations, solar generators, and accessories. With a mission to provide sustainable and green energy outdoors, today Jackery is considered a leader in the field of solar energy.

Starting its journey with the world's first lithium portable power series called Explorers, today a decade later, the brand has established itself as an industry leader with its Solar generators and power stations.

Given that Jackery uses the best quality batteries and components in its portable generators, its products warrant a premium price too. However, with Jackery celebrating its 10th anniversary this year, it's offering the **BIGGEST DISCOUNTS** on most of its product range at its huge Black Friday campaign.

So, if you are looking to get a portable generator, this would be the BEST time to get one!

Jackery is offering huge discounts on its bestsellers like the Jackery Solar Generator 2000 Pro, Solar Generator 1000 Pro, and even the cheaper Explorer 300.

How To Grab the Best Discounts on Jackery Products at Black Friday 2022

Jackery is offering early bird discounts to its customers for even bigger savings on Black Friday Deals. All you have to do is Subscribe to their mailing list between November 10 to November 23, and you'll get a chance to win coupons offering up to 90% OFF on Jackery products during the Black Friday sale!

Win Prizes totaling \$250,000 In The Biggest Black Friday Contest From Jackery

Jackery is also joining hands with its partner Black Series to host a massive Jackery's 'Crazy Monday' contest offering prizes worth totaling \$250,000 at 14:30 PM (PST), November 28th! Orders placed during the Black Friday Sales will get a chance to enter the unmissable contest to win Camper Trailers of Black Series, Cash Back Opportunities for your Jackery orders (placed during the Black Friday Sales), and many more amazing prizes!

In addition to these amazing contests and up to 90% discount coupons, Jackery will be discounting some of its Best Seller products giving up to \$1080 OFF on products like the Solar Generator 2000 Pro. Please note that the Black Friday Sale starts on 24 November and ends on 28 November 2022.

So let's check out the Best Jackery Products with Biggest Discount at the Black Friday & 10th Anniversary Sale this year!

BEST BLACK FRIDAY DEALS ON JACKERY PRODUCTSThe ULTIMATE DEAL – Save \$1080Jackery Solar Generator 2000 Pro(Explorer 2000 PRO + 2x SolarSaga 200W)

DEAL

To celebrate the 10-year anniversary and the Black Friday Sale, Jackery is giving its biggest discount ever on its No.1 product the Jackery Solar Generator 2000 Pro. Under this deal, the solar generator which generally retails for \$3599 will be available at a heavily discounted **price of \$2519** only. This means you get to **save a whopping \$1080** on the most powerful Jackery product.

PRODUCT DETAILS

One of the most famous and powerful devices ever made by Jackery, the Solar Generator 2000 PRO is an all-in-one solution for all your energy problems. Whether you want an indoor generator to power your home appliances or an outdoor power station to keep your machines and necessary gadgets running, the 2000 PRO can fulfill all your needs. It can power almost all household appliances including a coffee maker, electric grill, refrigerator, hairdryer, etc., and outdoor gadgets and machines like pellet smokers, mini coolers, ebikes, refrigerators, air conditioners, and more

The highlight feature of 2000 Pro is its advanced solar recharging technology, which is the fastest charging technology devised by Jackery. You can fully charge your 2000Pro in just 2.5 hours, by using just six Solar Saga 200W solar panels. The Solar Saga solar panels are Jackery's signature creations made with monocrystalline solar cells and fitted with adjustable stands that maximize charging efficiency and make the most use of solar power. The solar panels are lightweight and portable, making them easy to carry and install at your convenience

KEY FEATURES:

- 2160 Wh battery capacity
- 2200W AC power and 4400W peak power
- Jackery's fastest solar recharging technology

- Multiple charging options: Solar, AC, Car Port
- 8 Outlets: 3 x AC, 2 x USB-A, 2 x USB-C, and 1 x DC
- Ultra Quiet Generator – Noise level under 53dB
- Portable design with a handle
- Input and output display screens
- Fault code indicator and low battery indicator

JACKERY OFFERS PORTABLE AND GREEN ENERGY FOR TRAVEL ENTHUSIASTS

The 21st-century world is not the same as before. Today, political borders and geographical boundaries cannot contain humans from exploring new territories and expanding their horizons. Travel is now not just for a select few, but a journey adopted by many to escape from the daily pressure of an urban lifestyle.

Whether you are a digital nomad, an adventure enthusiast, a nature lover, a globe trotter, or a simple family camper, spending your time outdoors in nature has become a way of life. However, the modern educated individual not only wants to be in nature but also tries to find sustainable and eco-friendly solutions to enjoy his time outdoors.

And Jackery is one such green brand that helps you to power your outdoor adventures with green and sustainable energy.

There's a reason why Jackery products are known worldwide. The brand has a wide range of products ranging from something small and lightweight as Solar Generator 160 which can be used for indoor and outdoor charging of small electronic devices like smartphones, laptops, etc to the green power beast the

Solar generator 2000 Pro which can be used to power not only all your household appliances but also outdoor machines like pellet smokers, mini coolers, bikes, refrigerators, air conditioners and more. Whether you are suffering from a power failure at home or are camping out in the woods, you can always find an uninterrupted power supply with Jackery Solar Generator.

Alas, your power station is not only an important energy solution but at times your lifesaver in the outdoors. Hence, it is important to invest in good quality and safe batteries. And when it comes to outdoor charging batteries, no one does it better than Jackery.

Don't FORGET – You can get EARLY ACCESS to Jackery's Black Friday Deals and Contest by subscribing to their mailing list! The unmissable contest gives you a chance to win Camper Trailers of Black Series, Cash Back Opportunities for your Jackery orders (placed during the Black Friday Sales), and many other amazing prizes that are worth totaling a staggering \$250,000!!

Get all details regarding the event from this dedicated **[Black Friday page](#)** on Jackery.
