New York City, New York Nov 16, 2022 ([IssueWire.com](https://www.issuewire.com)) - A seasoned family physician, Dr. Lyle welcomes patients at his private practice in San Diego, California.

Back in 1990, he graduated with his Doctor of Osteopathic Medicine degree from the College of Osteopathic Medicine of the Pacific. He completed his internship at the California Pacific Medical Center in 1991, and his residency in family medicine at the Sparrow Hospital/Michigan State University in 1993.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
