

Leawo Black Friday Sales with 50% OFF CleverGet All-in-One 8 to Download Videos from Any Websites

Thanksgiving and Black Friday are just around the corner. Leawo Software has just launched its 2022 Black Friday sales with 50% off CleverGet for video downloads. Plus, a \$29.95 DVD Copy is offered as freebie.

Shenzhen, Guangdong Nov 16, 2022 (Issuewire.com) - As the year begins to draw to a close, it's time to welcome the sales frenzy with open arms - Black Friday, Cyber Monday, Boxing Day, and more. Now, it's November, and thanks to these big shopping events, you can enjoy some dizzying deals from your favorite brands and retailers. While the unofficial shopping season begins on Black Friday (November 25, to be specific), it doesn't mean that you have to wait until then to pick up the best Black Friday deals. Leawo Software, a leading developer and supplier specializing in multimedia and data management software, just launched its [2022 Thanksgiving & Black Friday Sales](#), where shoppers can seek 50% off [CleverGet All-in-One 8](#), other up to 70% off multimedia solution packages, 30% off sitewide coupon, [DVD Copy](#) freebie, and more. This activity will last until Dec. 15, 2022.

Whatever your mood is, when the Thanksgiving feast is over and the pie plate is cleared, there's only one thing left to do – Sit down and watch a great seasonal movie that honors the spirit of Turkey Day. If you're spending time with your family, then streaming movies might be appealing. However, if the movie is interrupted for reasons such as the network or pop-up ads, it will take a big hit from your annual Thanksgiving holiday. To avoid such a situation, Leawo Software specially offers its CleverGet All-in-One 8 at a 50% discount for all movie downloads. That is, with the price of \$199.95, you can [download movies from any website](#) for a lifetime.

CleverGet is a video downloader that can download up to 8K videos from more than 1000 websites, including YouTube, Twitter, Instagram, Facebook, [LiveLeak](#), etc. Best of all, with paid-service modules

bundled, it can download movies and shows from subscription-based platforms, such as [OnlyFans](#), Netflix, HBO Max, Hulu, and more. All downloaded and converted videos can be saved in MP4, MKV, WebM, or other popular formats for diverse uses. In addition, it supports batch processing, playlist downloading, channel downloading and hardware acceleration to save time on video download. For paid-service modules, audio track and subtitle selection are also available. All in all, this is probably the most comprehensive and powerful video downloader you can find.

What's more, for people who love DVDs, Leawo Software is also offering its DVD Copy for free. Just go to their official promo page and enter your name and email address. Then, a one-year license worth \$29.95 will be sent immediately. With this software, you can decrypt, copy and back up DVD discs, folders, and ISO image files to your computer or another blank DVD disc without quality loss. With 3 preset copy modes – Full Movie mode, Main Movie mode, and Custom Mode, you can freely and easily choose which part of the DVD to duplicate.
