

Licensed Practical Nurse William Yancey, LPN Provides Care for the Delaware Area

Get to know Licensed Practical Nurse William Yancey.

New York City, New York Nov 8, 2022 ([IssueWire.com](https://www.issuewire.com)) - William is a Licensed Practical Nurse who graduated with his nursing degree from Delaware Skills Center in 2005.

As an assistant to physicians and registered nurses (RNs), a licensed practical nurse (LPN) takes care of basic nursing duties in settings such as hospitals, nursing homes, and long-term care facilities. Also known as a licensed vocational nurses (LVN), LPNs are critical to providing patients with the quality care they need.

Becoming an LPN requires completing an accredited practical nursing certificate program, which is usually offered at community colleges and takes about a year to complete. Students can expect to take courses in biology, pharmacology, and nursing while also receiving hands-on clinical experiences.
