Career

MC CHROME was born in South Africa in 1991. He started singing in 2003 and has no formal music education. He used to upload his songs on YouTube and social media before he was discovered. He has a back story with His music Career. He became popular across the UK when he started MCing on drums and Bass. He took the UK Old School Music Scene by storm when he performed live on stages across the UK from under 18s Party's to Uprising events at a young age although this music was not his cup of tea he got introduced to it by a booking Agent around 2007 as this music was thriving at the time.

His been seen MCing on Sets with the Godfathers of Uprising Mc Natz, Mc Domer to Mc Space on events like DISTRUXSHON he got well-known Very quickly then around 2015 when the Old school music scene was fading away he took a break from music and was nowhere to be seen deleted all his socials media Channels to transition into Rap and drill music because that's what he always been into. He is now back on all the social media channels and here to stay. He releases New Music on a Monthly basis and works on creating a unique style of Rap. He is capable of telling his own reality through an authentic and credible storytelling way MC CHROME is currently one of the most exciting faces in the UK Rap scene to keep an eye on, with talent yet to be fully demonstrated.
