

Meet Mr Muhammed Ansar - A well - Established Tech influencer, Entrepreneur and Blockchain developer

A Business Prodigy, Investor and Blockchain Developer, Software Engineer, Ace Entrepreneur Based in UK

Dubai, United Arab Emirates Nov 7, 2022 ([Issuewire.com](https://www.issuewire.com)) - Social media users must have heard about Cryptocurrency and Blockchain. Many people have different prospects for cryptocurrency. Many cryptos have taken money away from investors, while others have made them extremely rich, you can meet a person who has left his own mark on this subject

Any successful entrepreneur needs to have a strategy. In today's ever-changing business climate, an entrepreneur can easily become overwhelmed. It's vital, though, to be unique, and creative and stay focused on your goals for the sake of your dream! In recent years, we have seen an increase in entrepreneurship in digital platforms—where success requires positioning products and services within dynamic digital networks that depict complex connections among platforms, complementary modules, and consumers. And who better to know about market positioning than entrepreneur Muhammed Ansar

Muhammad Ansar is a well-known and highly demanded blockchain developer person among corporate companies. He has successfully completed several Blockchain technologies-based projects, including Smart contracts, NFT Marketplace, Crypto exchanges, and Artificial intelligence-based Trading systems.

He has his own decentralized billing software called **Rokabook** Based on Blockchain technology, and within a very short time, this software has gained a lot of global acceptance. primarily by using the decentralized billing feature of this software, business owners can avoid payment failure issues and extra gateway charges. And also they can save payment handling time on international transactions. He has done a lot of things like this to help the public, as a social commitment

Muhammed Ansar is the founder of [F2F BUSINESS SOLUTIONS LIMITED](#), (F2F BUSINESS SOLUTIONS LIMITED is an active Private Limited Company, registered at Companies House under the number 14281296. F2F BUSINESS SOLUTIONS LIMITED was incorporated on 8 August 2022 with a registered office address based in London. According to the latest confirmation statement submitted on 8 August 2022, there is currently 1 active director(s) and activities related to the SIC Code 62012 - Business and domestic software development.) A company related to the development of decentralized finance and Blockchain applications, as well as their related marketplaces. Coming from the IT field, he is familiar with and understands the ramifications of Blockchain technology.

He attempts to raise cryptocurrency awareness. His aim is to migrate all IT-based businesses into Blockchain. You can learn Blockchain technology by becoming a part of his community. He has now gained a 210k community through Instagram ([@ansar_techy](#)).

He has more than five years of experience in software development, with expertise in supply chain management, organized banking, and the cryptocurrency market. He is one such influencer who, according to his goal of empowerment and marketing methods, is on his way to becoming globally famous. He believes that internet marketing has become a requirement and that companies may now use the growing digitalization to enhance their online digital presence.

He's mainly involved in blockchain communities rather than social media. He is a Social Worker and IT Entrepreneur who enjoys exploring real-world issues and attempting to solve them. He is receptive to new ideas, diligent, and appreciates keeping up with the latest software advances and approaches.

He is a quick learner who works hard. He is constantly attempting to pass on his knowledge and experiences to others around him. His writing skills, both social and technical, are outstanding. Muhammed Ansar has become the most professional. He approaches work with a good attitude and a strong drive to achieve the required task.

He organizes several events in which he speaks about his experience in entrepreneurship and ways to come out from a life of struggle. He often states that his goal is to influence the young generation and inspire people to take action which would help them make something out of their ventures.
