

Meet the India's Youngest Singer and Composer Priyanshu Bhartiya From Prayagraj

Priyanshu Bhartiya is one of India's youngest and most promising musical artists.

Allahabad, Uttar Pradesh Nov 16, 2022 ([IssueWire.com](https://www.issuewire.com)) - Priyanshu Bhartiya, born on 28th Mar 2004, is a singer-songwriter, and composer in the India hails from Prayagraj, Uttar Pradesh.

He manages to start his music career. He had a natural talent for it, but he also worked hard to develop his skills. He started by playing small gigs at local clubs and bars. As he got better, he started to attract attention from bigger promoters. Eventually, he was able to land a record deal and release his first album. It was a long journey, but Priyanshu's dedication and talent paid off in the end. He always trusts his musical instincts and has faith in his work. He was only 15 when he developed a strong dedication to music and decided he wanted to become a playback singer. His voice quality was appreciated by his colleagues and he was encouraged to continue to work and explore his voice for a few more years.

Early life

Priyanshu Bhartiya was born on March 28, 2004, in Prayagraj, Uttar Pradesh. His father, Deepak Bhartiya, is a businessman and his mother, Madhu Bala, is a head of the SHGs group. Both his parents encouraged his musical talent from a young age. He went to **St. Thomas School** for his primary and secondary education and then **Erny Memorial School** for his intermediate education. By the age of 18, he was well-known as a singer in his hometown of Prayagraj. He had been performing in his school since he was 15.

Career

He is a singer-composer and songwriter who is part of the record label **FREEZE MUSIC RECORDS** which is also an artist management company, and a music publishing company which is founded by his friend **Vedant Srivastava**, who worked as a Music Producer and Director. Priyanshu was involved in composing and songwriting, creating tracks for music videos and movies, and short films. **Some of his original tracks include Teri Yaadein, Sazza, Heeriye, and more. He has expressed his love for original music and art in his song, Saaya. Priyanshu Bhartiya is a boon to the music industry** - he's not only an incredible artist in his own right, but he also shares his knowledge and skills with other aspiring musicians. His work has reached people all over India, and he is constantly teaching new techniques to other artists. If you're passionate about music, make sure to follow Priyanshu's work - you won't be disappointed!

Suggestions

If you want to be a successful musician, you need to be passionate about music. Make sure you invest in your musical education and build a strong network of contacts in the music industry. Work hard and never give up on your dreams! What is required of musicians? First and foremost, musicians must be passionate about music. They must also be dedicated to their craft, and willing to put in the hard work required to improve their skills. In addition, musicians must have a good sense of timing and rhythm, and be able to play with other musicians in a band or orchestra. Finally, musicians must be able to read music or understand basic music theory. Great musicians know how to feel the music. They understand how to connect with the emotions and themes in a piece of music, and they use this connection to create their own interpretation. If you want to be a great musician, you need to learn how to feel the music. Start by studying the work of your favorite artists and try to identify the emotions and themes they are conveying. Then, use this understanding to create your own interpretation of the music.
