

New Annapolis Live Music Venue Announces Opening

Annapolis, Maryland Nov 29, 2022 ([Issuewire.com](https://www.issuewire.com)) - [Fivestar Restaurant Development & Consulting](#) announced the opening of its new live music venue Vibe, located in the Annapolis Town Center. Vibe is a 500-person capacity music venue where guests can enjoy the region's most popular bands and entertainers.

"Our mission is to provide a top entertainment destination in the Annapolis regional area with great concert experiences and unforgettable nights out," said co-founder Ivano Scotto. Equipped with a state-

of-the-art light and sound system, the 10,000 sq. ft. space boasts two expansive bars to serve upscale bar food, specialty cocktails, wine, and beer. The creative chef-driven menu offers finger foods and is shareable like Ahi Tuna Bites and handhelds like Tacos al Pastor. Dine at the bar or be attended to by cocktail servers throughout the venue's multiple rooms and bars. Room rentals, VIP seating, and table service are also options, depending on the night.

The interior design of Vibe is intended to appeal to a mix of music genres and ages. Modern meets are retro to create an exciting atmosphere dotted with curated music-themed decor. Psychedelic poster-style wall coverings anchor 2 billiard tables. Jacquard curtains, iridescent pendant lights, and red-tufted booths provide a classic, yet funky vibe.

Vibe's doors open weekly Thursday - Sunday at 7 p.m. Live bands play Thursday, Friday, and Saturday nights with house DJs before and during breaks. Sunday night is Latin Night featuring popular Latin DJs. A few shows have already been confirmed at the venue for this year, with the M-80s on Friday, Dec. 2nd, Turning the Tide taking the stage on Saturday, Dec. 3, and DJ Eze from El Sol 107.9 FM radio station to spin hot Latin tracks on Sunday, Dec. 4. Dates of other shows are set to be released in the coming days.

Live concerts are Vibe's forte, but there are also opportunities to book private parties while the venue is closed to the public. Vibe's menu and furniture allow the versatility to host all sorts of events with cocktail, seated, or buffet-style customizable food and bar packages. With its unique layout, different seating configurations can be created — offering tremendous floor plan flexibility — ranging from 500-person standing capacity shows to 250-person seated dinners to intimate gatherings of any size.

Located in Annapolis Town Center, Vibe's easy access to Route 50 makes it a convenient destination surrounded by popular restaurants and shops. Parking is available at the Annapolis Town Center garage.
