

November 28th-29th Miami / Art Basel / Online Family Office 2023 Outlook and Institutional Investor Forum

Value Added Information Shares for Family Office and Institutional Investors

Miami, Florida Nov 11, 2022 ([Issuewire.com](https://www.issuewire.com)) - The Ivy Family Office Network (IVYFON) is organizing a family office and institutional investor discussion into **economics and the investment climate** for **2023** in **Miami / Art Basel** and **online** on the **28th & 29th of November** from **8 a.m. to 5 p.m. Eastern time**.

Discussion themes comprise;

- Macroeconomic & European economic outlook
- Real estate
- Distressed
- Second-lien debt
- Private Equity
- Venture capital.

Featuring speakers will be;

- **Tim Draper** (main speaker) along with,
- **Phil Darivoff**, a former partner at Goldman Sachs, a former investment committee member at the University of Pennsylvania endowment, and president of one of the largest CLO funds.
- **Richard Stone**, leader of the Palm Beach Investment Research Group, Florida's leading, family office information-sharing group.

Register at <https://ivyfon.com/nov28-29forum/#Registration> to participate remotely and those who wish to attend in person can easily register via the **website**.

Following the forum, family offices, institutional investors, and sponsors are invited to a dinner reception.
