

November Ingredient Specials From Ecuadorian Rainforest

Bulk Ingredients On Sale This Month

Ecuadorian Rainforest

Clifton, New Jersey Nov 6, 2022 ([Issuewire.com](https://www.issuewire.com)) - Ecuadorian Rainforest is excited to announce the introduction of a variety of unique, high-quality natural ingredients this November. Manufacturers, formulators, and food scientists can now create new and improved products with these amazing additions! To learn more about our products or how we can help source your perfect ingredient needs contact us today - it could save you money in development costs down the road!

One of the ingredients on sale is chickpea powder. The chickpea is an annual legume of the family Fabaceae, subfamily Faboideae. Chickpeas contain a moderate amount of calories and several vitamins and minerals. Chickpea flour is used in a wide range of applications, including bakery and confectionery, extruded products, beverages, animal feed, and dairy products.

The list of Ecuadorian Rainforest ingredients on sale this month includes black bean powder, black bean drum dried, brussels sprout powder, cabbage powder, chickpea powder, cucumber powder, green pea powder, organic maca powder, maca 4:1 powdered extract powder, maca root powder, navy bean powder, pinto bean powder, pumpkin fruit powder, & many more. View the entire list on [intothefrainforest.com](https://www.intothefrainforest.com).

Ecuadorian Rainforest has provided natural ingredients from South America and beyond for over 20 years. Founded by Marlene Siegel in 1997, the company now has over 1,000 fruit, herb, marine, spice, and vegetable ingredients all under one roof. Ecuadorian Rainforest puts its natural ingredients through rigorous quality-control processes to ensure they meet high-quality standards.
