Starting November 1st, take advantage of savings on food powders, vegetable powder, spices, and herbs. Whether you're looking to add some flavor or boost your nutrient intake these monthly specials have got everything covered so stock up now before it's too late. Use code FALLFAVES during checkout and get 10% off your order today!

On sale right now is NutriCargo's cucumber powder. The cucumber is a widely-cultivated creeping vine plant in the Cucurbitaceae family that bears usually cylindrical fruits, which are used as culinary vegetables. Cucumber contains potassium, fiber, vitamin K, vitamin C, magnesium, potassium, manganese, and vitamin A.

Also on sale, this month is NutriCargo's pumpkin fruit powder. A pumpkin is a cultivar of winter squash that is round with smooth, slightly ribbed skin and is most often deep yellow to orange in coloration. Pumpkin offers a long list of nutrients such as vitamins A, B1, B6, and C, copper, fiber, folate, calcium, and manganese.

The list of NutriCargo ingredients on sale includes black bean powder, black bean drum dried, brussels sprout powder, cabbage powder, chickpea powder, cucumber powder, green pea powder, organic maca powder, maca 4:1 powdered extract powder, maca root powder, navy bean powder, pinto bean powder, pumpkin fruit powder, red lentil bean powder & many more.
