

Optimistic Gangsta released his new album "The Reveyahphi and The Real Lifers"

The new album by Optimistic Gangsta, an integration of the real world, has emotionally gripped the audience.

Houston, Texas Nov 24, 2022 ([Issuewire.com](http://www.Issuewire.com)) - "The Reveyahphi and The Real Lifers," a brand-new album by splendid songwriter optimistic gangsta, was officially launched on October 28, 2022. His stage name is "Optimistic Gangsta," but his actual name is Orend Johnson Jr. Orend has released seventeen songs on this album since he considers it therapy for all the people around the globe.

His creations are a perfect synthesis of familiar feelings, and he draws inspiration from regular people like his family, friends, college instructors, classmates, fellow workers, ex-girlfriends, neighbors, old folks on the block, young people on the block, God, etc. Orend claims about his album, "Everyday dialogues about self-healing, existing in the present, never letting the past determine our existence, and plotting a brighter future for ourselves motivated me to record this album."

He has been working toward reaching significant milestones, and one of his outstanding accomplishments was having his old song stream seventeen million times globally. So, to rebrand himself and accomplish extraordinary things, he cleared his most recent music from all streaming services.

Talking to the media Orend Johnson discusses his future goals, saying: claims that his most recent album will be his final project in the rap genre, but there will also be a follow-up. He is seeking an acting agency, such as Sarah Finn Casting or another, as he prepares to make a new turn in his career. "I recently concluded my fourteenth theatrical performance, and I am now seeking agencies to represent me as I continue my career as an actor. After getting my SAG-AFTRA license to join the union, I aim to enter the movie industry."

About Optimistic Gangsta

Orend Johnson Jr., also known as Optimistic Gangsta, is from Houston, Texas. He is a poet who writes poetry, creates songs, and produces a unique but notable subgenre of hip-hop/rap songs. Using a laptop from his school, the artist began recording songs 10 years ago while resting in his bedroom. He gradually developed his music knowledge and began grasping the audio engineering concept. He was just 12 years old at the time, but by the time he was 16, he had developed his expertise.

Orend's music connects with listeners from all walks of life on an individual level. With his several projects, the innovative young musician ignited the country and attracted widespread attention throughout the music business. The southern rapper is now performing and conquering the entire world, and he is prepared to provide his listeners with a fantastic experience.
