Zed will release his new book titled *The Ratio of Success - A blueprint for achieving your goals*. You can achieve any goal; it takes genuine effort over time. The more you want something the more time and repetition you spend on it, the higher the ratio, and the sooner and greater the success. Life is made of moments, and what you spend those moments on decides the quality of the moments that follow.

Once released, the book will be available in print format in the USA, UK, Europe, Australia, New Zealand, and the Middle East; and the e-book will have a distribution from more than 70 online partners serving readers across the globe.
