

Ramon Aragon, MD, a Psychiatrist with TMS of Austin

Get to know Psychiatrist Dr. Ramon Aragon, who serves patients in Austin, Texas.

New York City, New York Nov 15, 2022 ([IssueWire.com](https://www.issuewire.com)) - Dr. Aragon is a double board-certified adult psychiatrist who has specialized training in the management of psychiatric disorders in patients with other chronic or acute physical illnesses.

Serving as the Founder & Medical Director for TMS of Austin, he brings his expertise to deliver state-of-the-art treatment for psychiatric disorders through deep TMS.

“There is an unfortunate stigma adding to the burden of psychiatric illness. Depression, for instance, is such a debilitating disease that goes unnoticed for so many of our patients, and for those that do, treatment often fails to lead to remission. With dTMS, we have a real opportunity to bring hope to our patients’ lives” expressed Dr. Aragon.

Back in the early days of his academic career, Dr. Aragon graduated with his medical degree from Universidad Autónoma de Guadalajara in Mexico. He then relocated to the United States, completing his fellowship training in consultation-liaison psychiatry.

During the course of his training, he developed extensive experience in managing complex psychiatric disorders. He also further specialized in managing the psychiatric manifestations of acute medical illnesses.

Passionate about his profession, Dr. Aragon is board-certified in general psychiatry & consultation-liaison psychiatry by the American Board of Psychiatry and Neurology (ABPN). The ABPN is a not-for-profit corporation dedicated to serving the professions of psychiatry and neurology.

Among his professional affiliations, he is an active member of the American Medical Association and the American Psychiatric Association.

Psychiatry is the medical specialty devoted to the diagnosis, prevention, and treatment of mental disorders. These include various maladaptations related to mood, behavior, cognition, and perceptions. Psychiatrists evaluate, diagnose, and treat patients with mental, emotional, and behavioral disorders. They conduct thorough psychiatric evaluations, develop treatment plans, prescribe medication, and evaluate treatment results.

On a more personal note, Dr. Aragon speaks both English and Spanish.
