

Samurai 2k Aerosol Changes the Spray Paint Industry with the Patented Single Head Technology

Samurai 2k Aerosol (2 parts pain system) is one of the most popular aerosol specialists in the USA with incomparable products. The company works on bringing innovative and most out-class aerosol products to its valuable customers.

South Plainfield, New Jersey Nov 1, 2022 (Issuewire.com) - **SAMURAI 2K Aerosol®** is one of the world's leading providers of aerosol paint solutions focusing on high-performance coating for the automotive refinishing and refurbishment market.

The company has been recognized as an innovative manufacturer all around the world for producing award winning automotive aerosol spray paint. The company owns a number of renowned brands in the world such as "Samurai", "Khameleon", "Canbrush", "CanArt", "Bushido" and so on. The 2-In-one-can Aerosol Spray System is one of the most in-demand products of the company because of the mixing and activating of hardener and paint in one spray can. This 2-in-1 mechanism gives the best painting results and is widely used in the automotive and marine industries.

In 1997, the founder of the company, Mr. Ong Yoke En transformed the entire aerosol spray paint industry in Malaysia. Having worked more than 20 years holding leadership positions in various aerosol

companies in Malaysia, Mr. Ong, a paint lover went one step further from being an OEM manufacturer for other big players in the industry to becoming an international brand and had the Company's Initial Public Offering completed in Singapore in 2017. As Mr. Ong put it: *"We change aerosol, aerosol change the world! At **SAMURAI 2K Aerosol®**, we work towards offering value, convenience, and performance to our customers. With our 2K-In-a-can products, the aim is to continue pursuing such goals but to wider applications in more countries with happier customers."*

For over 25 years, **SAMURAI 2K Aerosol®** has consistently delivered groundbreaking technology and innovative solutions to the painting industry such as the **world's patented single-head 2K systems** that make even casual spray painters spray like professionals. The single-head 2k spray system brought about great improvement from the traditional dual heads system which has been in the market for some time.

Proudly known as **SAMURAI 2K Aerosol®**, it has made a name for itself as one of the most widely used paint brands in South East Asia by many DIYers and professionals. The Company soon expanded its operations to some of the largest economies in the world such as the United States of America, India, and Indonesia.

The ease of use of the product is evident through International recognition and awards such as landing a gold medal at the ITEX 2016 with the Malaysian Invention Award in Kuala Lumpur and the Special Innovation Award by the Moroccan Union of Inventors in Toronto the same year.

With its continuous innovation in paint technology and its unmatched quality in the aerosol spray paint industry, it is no wonder that **SAMURAI 2K Aerosol®** is the brand of choice for many amateurs and professionals across the globe. The Company believes that what it brings is more than just 2k aerosol spray paint. It is about providing all users a sense of fulfillment through creativity and state-of-the-art technology in the spray paint industry.
