

Sean Henderson from Tetney Worked for Virgin Energy to Help It Gain Customers

This press release is to inform the readers that Sean Henderson from Tetney worked for Virgin Energy to help it gain customers.

Grimsby, Lincolnshire Nov 18, 2022 ([IssueWire.com](https://www.issuewire.com)) - [Sean Henderson from Tetney](#) worked to help customers switch energy suppliers with very few complications while giving each client excellent customer care. He designed a robust sales program during a successful trial launch in Stockport and through this program, he worked for Virgin Energy to help it gain customers. After the success of the project, Virgin Energy recruited new agencies in different regions and gained customers over a period of 2 years.

An insight into how he worked, under the scrutiny of the regulator Ofgem and the compliance team of Richard Bransons Virgin Energy Team, Sean micro-managed the project. He ensured the regulator that by monitoring and retaining highly trained staff on a regular basis, the customers can be gained with good practice sales.

It is because of the high reputation that Virgin Energy puts its trust in **Sean Henderson** from **Tetney** and assigned tasks to him. He proved to regulators that the selling practices at Crystal Power have been correctly developed, unlike other agencies which do not follow strict guidelines. Overall, Sean made his best efforts to ease off the company with any risks of heavy fines.

About Sean Henderson

Apart from gaining customers for Virgin Energy, **Sean Henderson** from **Tetney** was the entrepreneur behind the Homephone product through which he helped customers save money on their phone bills.
