

Shabbir Gilani, a Seasoned Professional, Joins Tilli as Chief Revenue Officer

Bethesda, US, 27th Oct, 2022: Tilli, a US based digital payment solutions and cloud-based customer communication provider, announces the appointment of Shabbir Gilani as the Chief Revenue Office, adding his valuable experience and acumen to the team.

Washington Grove, Maryland Nov 1, 2022 (IssueWire.com) - In his role as the CRO, Shabbir will have full P&L responsibilities and play a pivotal role in leading the company through its next phase of growth and continued global expansion.

Shabbir brings over 30 years of experience with a diverse career background. He has demonstrated an ability to strategically grow revenue in new and diverse markets, regions, and varied business categories. Prior to joining Tilli, Shabbir has led several senior growth-focused roles at technology companies spanning multiple end-markets, including SunGard (today FIS Global), Misys (today Finastra), ACI Worldwide and other early-stage / growth-stage **FinTechs**.

According to the CEO, [Ali Saberi](#), “Tilli is pleased to add a professional with such honed skills and prowess that can propel us further to meet our goals for global growth and the “Aha” customer experience. We believe Shabbir will be an invaluable asset in the times to come steering Tilli in providing our customers with the highest-quality experiences, products, and services.”

About Tilli
