Los Angeles, California Nov 18, 2022 (Issuewire.com) - October 17, 2022, in Los Angeles, [Hushan iAutoeyes](#) releases a series of [smart rearview cameras for Toyota](#) RAV4, CAMRY, HIGHLANDER, SIENNA, TACOMA, 4RUNNER, and SEQUOIA. The new smart rearview camera can show very good images in low light or bad situations.

1. Good image quality in low light.

The new series of smart rear view cameras shows very good image quality under low lights. The performance of the Hushan [iAutoeyes](#) rear-view camera was 45% saturation and 17.5 Delta E (Color difference, the smaller is better) in the low-light situation, such as 5 lux. The normal aftermarket rear view camera was only 8%~20% saturation and Delta E was more than 60.

2. Follow CAPA Standard

Hushan's new smart rearview backup camera was the first CAPA-approved backup camera in the US. [CAPA](#) (Certified Automotive Parts Association) is an association to ensure that consumers have access to high-quality automotive replacement parts and services by identifying sustainable options at competitive prices
