

Sweta Sheth, DDS, a Dentist with Bliss Dental & Radiant Smiles Dentistry

Get to know Dentist Dr. Sweta Sheth, who serves patients in Dallas, Euless, and Prosper, Texas.

New York City, New York Nov 14, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. Sheth is highly experienced in all areas of dentistry ranging from restorative dentistry to cosmetic dentistry to pediatric dentistry. She provides high-quality dental care for the whole family at Bliss Dental with offices in Dallas and Euless, Texas. She also practices out of Radiant Smiles Dentistry in Prosper.

Over the years, she has helped hundreds of patients to improve their dental health and give them a lasting smile. She believes that “A beautiful smile can change a person’s whole outlook and bring back confidence into their lives.” She also believes “Practicing good hygiene is the best solution for improving overall health and the quality of life.”

Possessing a soft touch, Dr. Sheth has an understanding of the anxiety of dentistry (fear of pain). She is open-minded and practices a high standard of excellence, making adults and children feel instantly at ease. She has earned the trust of her patients by listening to their needs and providing the best treatment possible in a comfortable and friendly atmosphere.

Academically, Dr. Sheth earned her Dental degree from the Dental College in Ahmedabad, India. She then relocated to the United States, graduating with her Doctor of Dental Surgery degree from the New York University College of Dentistry.

Creating and maintaining beautiful smiles, she prides herself on staying up-to-date with all new advancements in dentistry, including improved techniques, new technology, and better pain management. She benefits her patients by providing them with various treatment options based on the latest advancements. She is a member of several organizations including the American Dental Association, the Texas Dental Association, and the Dallas County Dental Society.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and tooth extractions, and perform other duties to ensure that the teeth and mouth are healthy.

Happily married, Dr. Sheth lives in Lewisville, Texas with her husband and two adorable children - Neeve and Vivaan. She enjoys listening to music, traveling, and meeting people from all cultural backgrounds.
