ERIC WEIDLER

Reading, Pennsylvania Nov 3, 2022 (IssueWire.com) - The Death of the Two Party System by Eric Weidler is a fictional book starring the Heinz family which depicts the two biggest players in history and of the economy, namely: Europe and America. The author aims to give a speculative look into the future of the two huge party systems through his story.

“Thus the theme of my book which someday may become reality, is that may one party prioritize the needs of the country in a timely and efficient manner that is open to solutions” the author added.

Death of the two-party system is available for sale at the author’s website famiylongbeforeaftertoday.com,

Amazon.com and Barnes&Noble.
