

Vex.Distro releases a new deep/progressive track "Personal Jesus"by "Mehen"!

With strong support in the electronic music scene by Vintage Culture, KVSH, Meca and Ownboss!

Miami, Florida Nov 24, 2022 ([Issuewire.com](https://www.issuewire.com)) - **Vex.Distro** presents the **Mehen** project by Eduardo Filipe. A DJ, music producer, and instrumentalist. We created the project aimed at reaching the most varied audiences in the electronic music industry.

Mehen is present in Egyptian culture and refers to a snake god who protected Ra during the journey where the god had to fight or escape from Apep, the great serpent of the underworld.

The **Mehen** project comes with the promise of delivering new progressive/deep vibes, bringing out the spirit and heart of electronic music. Based on a compilation of deep house, house, tech house, and progressive elements, a simple and ingenious combination, is capable of bringing electronics lovers back to their golden age with releases on giant labels, such as **Vex.Distro** Records and Só Track Boa. **Mehen** has been getting strong support in the electronic music scene. by the greats such as Vintage Culture, KVSH, Meca, and Ownboss, just some of the main artists to give this support.
