

Visit Canada Hassle-free With eTA Canada Visa

Vancouver, British Columbia Nov 1, 2022 ([Issuewire.com](https://www.issuewire.com)) - Entering Canada for foreigners would require a visa. This can be collected in two ways; one is from the Canadian embassy in paper form. The other way is to collect the visa electronically online. This is Canada's newest visa program which was launched in 2016, after 4 years of development since it was proposed in 2012 to improve border security.

As a launch member, CANADA VISA FOR SWISS CITIZENS is now available which is valid for arrival by air only. Swiss citizens can use eTA Canada for short tourist, transit, and business visits. Before traveling to Canada with an eTA Canada visa Swiss citizens must ensure that their passports are at least valid till the past 3 months of the departure date. For more details, kindly visit <https://www.canada-visa-online.org/canada-visa-eligibility/swiss-citizens>.

The eTA Canada visa program is available for Norway as well, courtesy of the country being a launch member of this program. CANADA VISA FOR NORWEGIAN CITIZENS can be applied online and there is no need for a physical visit to the Canadian embassy at any given point. The procedure of applying for the eTA Canada visa is also extremely easy and can be done in less than five minutes. The documents that will be required to make this process are also kept minimal, as the needed documents

are the employment details, passport details, and contact details like email address, etc. To check the eligibility, you can also check <https://www.canada-visa-online.org/canada-visa-eligibility/norwegian-citizens>.

The Czech Republic is another country that was a launch member of this eTA Canada visa program. This makes CANADA VISA FOR CZECH CITIZENS available and will be delivered to their email addresses directly. With the eTA Canada visa, Czech citizens can stay up to 90 days continuously and the visa will be valid for 5 years with multiple visits. Well, the link <https://www.canada-visa-online.org/canada-visa-eligibility/czech-citizens> will help you understand the parameters that you need to check.

CANADA VISA FOR BELGIUM CITIZENS is also available with a similar period of validity. The requirements to fulfill the application are a valid email address, a valid passport, and a valid payment method; which can be either a credit card, a debit card, or a PayPal account.
