

Wei Tian, MD, a Urologic Pathologist with Inform Diagnostics

Get to know Urologic Pathologist Dr. Wei Tian, who serves patients in Irving, Texas.

New York City, New York Nov 11, 2022 ([IssueWire.com](https://www.issuewire.com)) - Dr. Tian is a urologic pathologist who is committed to diagnosing and curing diseases affecting the urinary tract and male genitourinary system. Since 2014, she has been serving as the Vice President & Medical Director of Inform Diagnostics in Irving, Texas.

Her areas of research include ERG and PTEN expression in prostate cancer, intraductal carcinoma, the

atypical intraductal proliferation of the prostate, and urinary cytology diagnosis.

Licensed to practice medicine in Texas, Dr. Tian is affiliated with Dallas Regional Medical Center.

Prior to her current endeavors, she served as a Clinical Instructor within the Department of Pathology at Oregon Health & Science University (2012–2013), and as a Research Assistant Professor within the Division of Nephrology & Hypertension at the said establishment (2007–2008).

Throughout her academic career, Dr. Tian graduated with her medical degree from Norman Bethune College of Medicine, Jilin University in 1992. She then went on to perform her internship at Yanjiing Hospital in 1995, her residency in anatomic and clinical pathology at Brown University in 2009, and an additional residency in anatomic and clinical pathology at Oregon Health & Science University in 2012. She also completed a fellowship in surgical pathology at Oregon Health & Science University in 2012, and a fellowship in urologic pathology at The John Hopkins Hospital in 2014.

An expert in her field, the doctor is board-certified in anatomic & clinical pathology by the American Board of Pathology (ABPath). The mission of the ABPath is to promote the health of the public and advance the practice and science of pathology by establishing voluntary certification standards and assessing the qualifications of those seeking to practice the specialty of pathology.

Continuously advancing her efforts, Dr. Tian is an active member of the United States and Canadian Academy of Pathology, the American Urological Association, the Genitourinary Pathology Society, the International Society of Urological Pathology, the Texas Pathology Association, and the College of American Pathologists.

Pathology is a branch of medical science that involves the study and diagnosis of disease through the examination of surgically removed organs, tissues, bodily fluids, and in some cases, the whole body. Urologic pathologists provide advanced and specialized services for pathology cases (both surgical and cytologic) involving the kidney, upper urinary tract, urinary bladder, prostate, and testis.
