Delhi, India Dec 29, 2022 ([IssueWire.com](https://www.issuewire.com)) - The current market is looking up to professionals, therefore them and following their lead, pulling the industry forward. The new practices set by 24Karat will definitely improve the gold-buying market. It will build trust among the customers and lead to decreased fraud and scandals.

How is 24Karat different?

Buying gold is a traditional business in India, with thousands of shops in every state. The older the industry more there are frauds in it. Customers were getting cheated by old technology and unmanaged systems.

That's where businesses like 24Karat came in. They brought new technologies, trained professionals, and synchronized systems with them. **They introduced a new German Karata meter machine, which tells the purity of gold with utter precision and in no time.**

The staff in their shops are well-trained professionals there to help offer the best value to their customers' assets. These million-minute steps brought transparency and trustworthiness among the customers. The Group keeps tabs on the quality of customer experience in all the branches across the country.

Furthermore, the Group has introduced many new practices to the industry. One such deed is educating the customers. They apprise the customers about the correct ways to sell their gold and get the deserved value for their precious assets. Customers get aware, which reduces the overall market fraud rate.

Future Goals

24Karat is a trusted brand in north India, and the Group is already planning to provide its services across the country. Their vision is to provide the uttermost assistance to customers in trading gold, silvers, and diamond. Furthermore, they are stepping toward digitalizing the process to make it even more convenient.

Customers can find the nearest 24Karat store through their website and book appointments online, something is never seen in the industry before. Their future goal is to lead the industry to a better future with new technologies and customer experience together.

24Karat is a well-renowned gold buyer in North India. **The Group has nearly 39 stores in big cities like New Delhi, Noida, and Gurgaon.** They have been in the industry for decades and have achieved many milestones to date. The company is reputed and recognized by **Millenium Award for being the best gold-buying company.** Furthermore, they hold many awards for their trustworthiness among customers and excellent services.

The Group is serving customers with the best track record of 500k+ satisfied customers in the past. The company plans to expand its services throughout the country with stores in every big city. The company is leading the industry in many ways and can come out as an Industry Leader in the future with its dedicated service.
