

A name that gathered multiple cultures in her voice.

The singer/songwriter Dona Maria

Brea, California Dec 19, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dona Maria, a name that gathered multiple cultures since her first release till now; her latest releases “Fire” and “Tik Tak Town” are getting recognition as they were in the Grammy 65 1st voting cycle of 2021-2022-2023 and have recently been featured in the Billboard magazine December 17 issue as well as been featured at the NY time square, California shopping malls and others and are making a viral impact accumulating over 1.7 million Streams on Spotify and 476k listeners in just 5 days after their official release date.

Dona Maria brings colorful and exciting performances to people from around the globe. Dona Maria, the singer/songwriter/ Grammy member and DM the NO Music President & CEO is the artist who wrote the first line of change.

What she said!

As I’ve been born in a detached family with no siblings, I’ve learned how to be a strong person and taught myself how to be strong and defend myself against anyone who wants to hurt me or my family, so be sure that I understand other people’s feelings and pain.
