

AAO - Highest Clinical Volume of Ophthalmology

The annual meeting of the American Academy of Ophthalmology will be held in San Francisco. It will be held from 03 to 06 November at Moscone Convention Center, San Francisco.

Berlin, Germany Dec 16, 2022 ([Issuewire.com](https://www.issuewire.com)) - The 127th annual meeting of the American Academy of Ophthalmology will be held in San Francisco. The exhibition will take place from 03 to 06 November 2023. Pan-American Association of Ophthalmology (PAAO) is the organizer of this show, it will attract attendees from all parts of the Globe. Mark your calendar now!

More than 40.000 attendees are expected to be part of this show. You will be amazed to see the latest ophthalmic technology, products, and services. The event will feature keynote lectures, instructional courses, and the latest advancements in ophthalmology. In the opening session of AAO 2023, you will hear the valuable thoughts of academy leadership and learn about the different aspects of art and science.

The America Academy of Ophthalmology's mission is to protect the sight and empower lives. They also aim to advance the profession of ophthalmology. AAO 2023 will host workshops, competitions, award

ceremonies, like the Artemis Award and the Laureate Recognition Award, and product pavilions.

The Faculty Development Program at the American Academy of Ophthalmology is designed to enhance the professional speaking skills of the meeting presenters. Be a part of this program to expand the repertoire for audience engagement and interaction.

Promotional activities are exclusively available for the exhibit companies. You will be able to request promotional activities on the exhibitor portal. Reservation is based on first cum first serve basis.

Don't miss this opportunity to meet the leading veterans of medical, health, healthcare, eye health, eyesight, and ophthalmology at AAO 2023.
