

After-Christmas Sales 2022: 70% OFF Leawo All-in-1 Bundle for All 4K Blu-ray/Blu-ray/DVD/Video/Photo/Audio Solutions

Leawo Software releases their 2022 after-Christmas online sales and provides a series of multimedia solution tools at up to 70% discount. Also, every participant can win DVD Ripper as freebie.

Shenzhen, Guangdong Dec 27, 2022 ([Issuewire.com](https://www.issuewire.com)) - The holiday may be over — but that doesn't mean the shopping season has to be over. It's December 27, which means after-Christmas sales are life with fantastic deals. Post-Christmas sales are the perfect opportunity to snap up leftover holiday stock. Leawo Software, a company specializing in multimedia solutions and data management software, still has plenty of deals going on in their [2022 Christmas & New Year Sales](#), giving people plenty of time to stock up on what they really need. Here shoppers can find discounts of up to 70%, 30% off site-wide coupons, and a [DVD Ripper freebie](#). This activity will last until Jan. 15, 2023.

As the only package with 70% off in this event, Leawo All-in-One integrates almost all multimedia solution tools from Leawo Software. In fact, it's a 22-in-1 package that includes software like Prof. Media 11, CleverGet Video Downloader, Prof. DRM, PhotoIns, UHD Drive Tool, etc. Limited-time offer, this package is priced at \$167.88, which means a single product only costs less than \$7.7, saving a total of \$391.8. All software is available for both Windows and macOS. Here are the details of the selected software.

- [Media](#) integrates 14 programs into 1 package, including Video Converter, DVD Ripper, DVD Copy, DVD Creator, Blu-ray Ripper, Blu-ray Copy, Blu-ray Creator, UHD Ripper, UHD Copy,

and more, which provides the most comprehensive 4K Blu-ray/Blu-ray/video/audio/photo solutions. In the recent upgrade, it also added a UHD Creator, Blu-ray Recorder Ripper, Blu-ray Recorder Copy, and Blu-ray to DVD Converter.

- [CleverGet Video Downloader](#) is a module of CleverGet, which can download all kinds of videos from more than 1000 websites, such as YouTube, Twitter, Facebook, Instagram, and more. Plus, with the support of direct live video URLs and M3U8 link parsing, it can easily download live-streaming videos. In terms of download quality and download format, all videos can be saved as MP4, MKV, or WebM files in up to 8K resolution.
- [DRM](#) has DRM Video Converter, DRM Music Converter, DRM Audiobook Converter, DRM Spotify Converter, and DRM eBook Converter, which is able to remove DRM from iTunes movies, TV shows, audiobooks and music, Spotify songs, as well as eBook from Kindle, Kobo and Adobe. With advanced digital media processing technology, it can convert DRM-locked files to DRM-free files without quality loss.
- [PhotoIns](#) is designed as an all-featured AI photo editor which currently consists of 3 modules – Photo Enhancer, Photo BG Remover, and Photo Enlarger. With this software, users can improve photo quality, remove, change and edit photo backgrounds, increase image resolution, and more. All photos can be batch-processed by AI, or manually intervened.
