The guests can enjoy a nice peaceful time in the desert. We offer several packages and guests will be provided services according to the package. We offer a special New Year package that has lots of fun in store for the guests to make their safari a pleasurable one.

The New Year Package

We offer pick-up and drop-back services in a comfortable vehicle to make sure that our guests enjoy a smooth ride to our desert camp. The guests reach the desert when the sun is about to set so they are treated to a beautiful and romantic sight in the whole world. Once they are there they will be taken for a

camel ride and also will be given ample time for taking pictures of the sunset.

For the women, there will be an additional treat in the form of henna painting on the hands, these beautiful henna tattoos will stay for a few days. Guests will be given the option of dressing up in traditional Arabian garments and having their pictures taken. We serve shisha for those who would like to smoke.

The dinner is a buffet and consists of fabulous BBQ food made by the best chefs in Dubai. There will be many options for both vegetarians and non-vegetarians. Guests are also provided with soft drinks, water, coffee, and tea.

After dinner tourists can view popular shows like Tanura Dance and Belly dance shows performed by talented local artists. The New Year celebration continues till after midnight and then at the stroke of midnight there is a grand firework show.
