

December's Incredible Ingredient Specials From Ecuadorian Rainforest!

Bulk Ingredients On Sale This Month

Ecuadorian Rainforest

Clifton, New Jersey Dec 8, 2022 ([IssueWire.com](https://www.issuewire.com)) - Ecuadorian Rainforest is proud to introduce its unique, high-quality nutraceuticals this December. Are you looking for new and interesting ingredients to add to your formulations? Ecuadorian Rainforest has some great specials on ingredients this month, perfect for food scientists and manufacturers. We have a variety of fruit powders, vegetable powders, herbs, and spices available, all with the highest quality and purity.

One of the ingredients on sale is flaxseed powder. Flaxseed, also known as linseed or flax oil, hails from the Northern Great Plains of North America as a flowering blue perennial. Flaxseed powder is used in various food products to improve taste and nutritional value. Moreover, it is used as a food preservative.

The list of Ecuadorian Rainforest ingredients on sale this month includes acerola pulp powder, apple juice powder, bitter orange powder, black tea powder, bladderwrack powder, brussel sprout powder, cantaloupe fruit powder, cat's claw 1% powdered extract, coleus forskohlii powder, cucumber powder, flaxseed powder, gigartina algae powder, grapefruit drum dried powder, Iceland moss, kelp powder org., lemon grass powder & many more. View the entire list on [intothearainforest.com](https://www.intothearainforest.com).

Ecuadorian Rainforest has provided natural ingredients from South America and beyond for over 20 years. Founded by Marlene Siegel in 1997, the company now has over 1,000 fruit, herb, marine, spice, and vegetable ingredients all under one roof. Ecuadorian Rainforest puts its natural ingredients through rigorous quality-control processes to ensure they meet high-quality standards.
