

Dine in with Signature Grills to Taste the Pure Vegetarian Barbecue in Hyderabad

The first Pure Vegetarian Restaurant in Hyderabad that serves Barbecue on the grill with wide spread delicious buffet.

Hyderabad, Telangana Dec 19, 2022 (Issuewire.com) - For vegetarian people in Hyderabad & Secunderabad, it is hard to find restaurants that serve pure vegetarian food. Traveling to restaurants and food joints as a vegetarian can have difficult moments. Most of the time people just assemble their own meals with side dishes or just stick to fries. Now with time, more and more people are becoming vegetarians and vegan-friendly so the options on the menus are increasing. More restaurants with completely vegetarian menus are also becoming popular and **Signature Grills** is the most recent one in them. But the concept of **Signature Grills** is completely different as it is the [first pure vegetarian restaurant in Hyderabad](#) that offers **barbecue on a grill**.

The place is located at Thrill City on Necklace Road, Hyderabad and is already making headlines as the first restaurant that reserves its interesting barbecue menu solely for vegetarians. This option for the veg grill is not only healthy and satisfying for the food pallets but also has a wide range of items that is not so easy to get. These varieties of food items make the restaurant popular with not only vegetarians but also with people who enjoy non-veg food.

Before **Signature Grills**, in the entire city, it was impossible to find barbecue on grills entirely with vegetarian options. Focusing on that, the restaurant is now making the option available for for all die-hard vegetarian food lovers, especially vegetarians who want to enjoy their barbecues on grills. Now you don't need to about seeing and smelling non-vegetarian food and without any fear you can enjoy

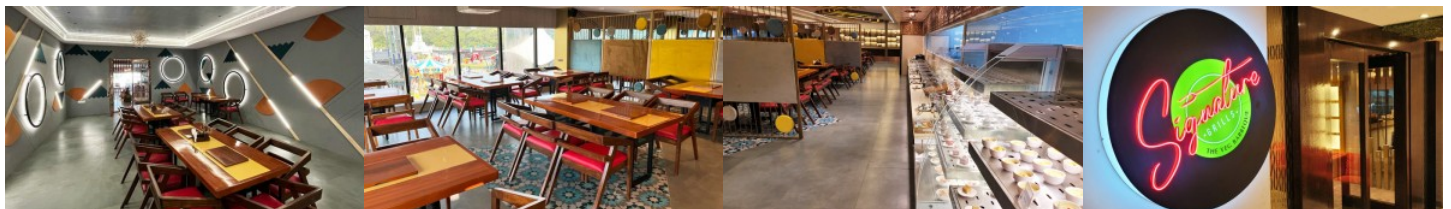

barbecue on grill.

The restaurant provides an **all you can eat** buffet that has solely vegetarian food options. This buffet meal is primarily based on the barbecue and most surprisingly, Indian cuisine. The menu also gets updated where new dishes are introduced depending on the seasons and especially customer preferences. So, increase the reach and satisfaction of your taste buds by enjoying the flavorful veg grill presented to you by Signature Grills. [The veg buffet restaurant in Hyderabad](#) is the first of its own to provide a completely vegetarian menu for barbecue and specializes in varieties of BBQ, and Indian cuisine along with various continental specials.

As mentioned before the menu of Signature Grills is vast, besides several barbecue varieties, continental dishes, and Indian veg dishes, the menu also has options for several sweet and tangy chaat options and some drool-worthy desserts. This is the perfect place for a large crowd, so if you are looking for fun and fine dining with your friends and family, Signature Grills is the best place for you in all of Hyderabad.

What makes the restaurant even more exciting and interesting is its all-vegetarian buffet meal. The veg buffet at the restaurant includes a minimum of six vegetarian appetizers which are pre-cooked. The visitors can season and grill these appetizers to their liking on the barbecue grill that will be embedded in the table. There will also be other four-plated appetizers that will be served on the table. The main course is the real attraction of this all-you-can-eat buffet meal as it includes a wide variety of vegetarian options that people have never seen before in one place. The buffet menu includes dishes of North Indian, Italian, Chinese, Continental, South Indian, Pizza, Chaat, etc. To gulp it down you can also get unlimited soft drinks along with the delicious spread of veg menu items. To all dessert lovers, there is something for everyone at Signature Grills as well. The dessert menu is filled with a wide selection of mouth-watering sweets from all over the country, a diverse range of desserts, and above all, ice cream!!!!

Signature Grills offers the "all you can eat" buffet menu at a fixed price is perfect for a relatively large group. The restaurant presents a diverse spread of delicious food at a reasonable price that is well value-oriented and in a casual dining environment. There might be other vegetarian restaurants in the city but people tend to choose Signature Grills over any other restaurant because of the vibe it presents at such a reasonable and fixed price. The veg buffet is DIY and has a "cooked-in-the-table" nature that represents fun and excitement to mix and mingle with the taste and seasoning.
