

Dinh X. Bui, MS, DDS, a Periodontist with Amazing Dentists of Katy

Get to know Periodontist Dr. Dinh X. Bui, who serves patients in Katy, Texas.

New York City, New York Dec 13, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. Bui currently practices full mouth reconstruction, combining conservative principles of orthodontics, periodontics, and prosthodontics. He serves as the Owner & Operator of Amazing Dentists of Katy in Texas.

Helping patients look their very best with a smile, he offers a wide range of services, including full mouth reconstruction, esthetic crown lengthening, implant support overdenture, crown lengthening, implant dentistry, and implant support maxilla, among others. He and his experienced staff will be able to accurately diagnose problems and implement the most practical and perhaps the best treatment available.

On his educational path, Dr. Bui finished his undergraduate studies at Texas A&M University with a Bachelor of Science degree in Electrical Engineering. He then graduated from the University of Texas with a Doctor of Dental Surgery degree in 1995, followed by a Master of Science program with a thesis in Periodontics in 1998. His master's thesis was entitled "Evaluation of the Treatment of Class III Furcation Defect Using Bovine Grafting Material and Guided Tissue Regeneration".

His academic honors include Dean's list, Who's Who among Students in American University and Colleges, and the Physiology Excellence award.

Periodontics is the dental specialty focusing exclusively on the inflammatory disease that destroys the gums and other supporting structures around the teeth. A periodontist is a dentist who specializes in the prevention, diagnosis, and treatment of periodontal disease, and in the placement of dental implants.
