A home-based cleaning franchise called DoorstepWash a subsidiary of Zixdo Technologies Pvt Ltd has begun operations in Mangalore. There are currently more than 80 planned franchises for Pan India. DSW & Zixdo was founded by Atul Ranjan and Shakeb Rahman

New Delhi, Delhi Dec 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - The company has a fully automated online-based platform, low operational expenses, and high-tech machines and utilities. The primary objective is to offer our consumers a comfortable car wash centre. We are putting your comfort first when we introduce our service in your city.

Our company is led and run by seasoned marketing, operations, and sales experts from well-known companies like Phixman.com and Zixdo.com. We are working to make DSW a well-established professional system. It will undoubtedly create India's biggest chain of light-car detailing and car washes. It is a doorstep car detailing service available to everyone for the first time in India.

Here are a few points from which you can get a brief knowledge of our work:

- An online platform that is entirely automated.

- A car wash centre is located at home using portable, imported machines.
- High-tech machines
- No specific area, such as a lawn or garden is necessary.
- Low operational expenses.

Items of the highest calibre for cleaning and detailing vehicles

Under the supervision of Zixdo And Dsw, we'll provide car detailing for all types of car brands and models. Our crew only uses high-quality products and practices good hygiene. We give special attention to the aesthetics and cleanliness of the vehicle when cleaning and renovating the interior and exterior.

By providing its creative franchise business model, well-established cleaning concepts, client devotion, a dedicated team, and unwavering investor support, DSW has become an industry leader.

When a fresh, eager entrepreneur joins our franchise system, there is no going back because they are continually hunting for a high-profit venture with little startup cost. Doorstepwash gives essential technical and other support kits to its business partners or franchise partners.
