

EDM Star Suekay Set To Release New Single Sedúceme

New single Sedúceme brings a latin twist to EDM

Los Angeles, California Dec 28, 2022 (Issuewire.com) - EDM singer, and songwriter **MISSKAY22 (aka Suekay Deniz)** is set to release her debut single “**Sedúceme**” which will be out spring of 2023 along with the official music video. The single will be her first EDM dance record and introduction to music. “**Sedúceme**” is a fun upbeat EDM track that includes a high-energy dance beat, silky vocals, and a Latin twist. **MISSKAY22’s** music is a perfect mix of EDM, pop, and salsa with a hint of sensuality. “**Sedúceme**” is the first of many singles and was co-written and produced by mega-producer Salvi who has worked with artists like Pitbull and Sean Paul. The song will be available in spring 2023 on all streaming platforms but will be available for pre-order starting in April 2023.

MISSKAY22 says about the track, “*Sometimes you just have to dance and seduce yourself, this single is about the freedom of expression and fun.*”
