

ExcelR launches the most-complete AWS Curriculum to match the growing demand in the industry.

Bengaluru, Karnataka Dec 2, 2022 ([IssueWire.com](https://www.issuewire.com)) - The global leader and upskilling partner for 200K+ global learners, ExcelR Solutions launches the most-complete AWS curriculum to bridge the unmet skill gaps and match the growing demand in the industry.

According to Synergy Research Group's recent report, the global cloud infrastructure climbed from 55 billion USD to 200 billion USD in the Q2 ended in June, where Amazon holds 34% of the worldwide share and is the largest compared to the combined market share of Microsoft Azure 21% and Google cloud 10%.

"The underlying growth of cloud computing continues at impressive rates," stated Synergy Research Group's chief analyst, John Dinsdale. It's a sole indication of the growing job market and a massive career opportunity within cloud computing. [AWS Certification](#)

In India alone, there are about 52,458 jobs available, from freshers to managerial roles, with salaries ranging from 4 LPA to 21 LPA (Source: Naukri and Ambitionbox). And to fill these massive gaps, AWS certification from ExcelR is a 140-hour blended training program designed to meet the industry's latest trends, making it an ideal fit for freshers and professionals alike.

ExcelR provides online AWS training worldwide and classroom training in selected cities. As part of the training, you'll be mentored by industry experts with 15+ years of experience who keep themselves updated about the latest happenings in the AWS cloud industry.

Besides the five value-added courses such as Linux, AWS Developer, Hadoop & Spark, Shell Scripting, and AWS Technical Essential, ExcelR's AWS course comes with 2+ capstone projects, 17+ assignments, and best practices of 25+ tools to make you industry-ready AWS Solutions Architect for any challenges on your way.

As part of the training, You'll also get dedicated 1:1 doubt-clearing sessions and 100% job readiness assistance like — mock interviews, resume building, and profile optimization on LinkedIn to make your profile stand out and reach out to the right recruiters.

So why wait for the right time when you can kickstart your career as AWS Solutions Architect from today itself?

Enroll and get lifetime access to LMS, one year access to Jumbo Pass (One classroom session and unlimited live virtual training sessions from any trainer of your choice), along with five mock tests and 300+ multiple choice questions to boost your interview cracking skills and land a job of your dreams
