

Gary Gathright, a Certified Registered Nurse Practitioner with Accommodating Healthcare Solutions, PC

Get to know Certified Registered Nurse Practitioner, Gary Gathright, who serves patients in Feasterville-Trevose, Pennsylvania.

New York City, New York Dec 12, 2022 ([Issuewire.com](https://www.issuewire.com)) - Gary is a certified registered nurse practitioner who, since February 2020, has been working at Accommodating Healthcare Solutions, PC located in Feasterville-Trevose, Pennsylvania. He provides treatment for both physical and mental health patients through continued follow-up, therapy, screenings, referrals, and medication

management.

“Our experienced medical professionals put your healing needs first. We are proud to provide a high-quality level of customer service, medical experience, and commitment to health and wellness to all our patients” as stated on the practice’s website.

After graduating with his Bachelor of Science degree in Agribusiness from Arizona State University, Gary went on to earn his Bachelor of Science in Nursing degree from Thomas Jefferson University Hospitals in 2012. He also completed his Master of Science in Nursing degree from Thomas Jefferson University Hospitals in 2016.

Prior to his current endeavors, he worked as a nurse practitioner at the following locations: Inovalon (May 2017 - September 2019), Crossroads Treatment Centers (March 2017 - May 2021), and Care Connection Counseling & Referral Services (October 2018 - Present).

Continually advancing his knowledge and skill to ensure best practice solutions, Gary holds certifications in Advanced Cardiac Life Support (ACLS) and Basic Life Support (BLS - not intended for postnominal use).

Attributing his success to his passion for helping his patients every day and making a difference, he is an active member of the American Association of Nurse Practitioners and the Florida Nurse Practitioners Association.

A Certified Registered Nurse Practitioner (CRNP) works with patients to provide hands-on health care. Because a CRNP has an advanced degree, they share some skills and abilities with primary care doctors. In some states, a CRNP is known as an advanced practice registered nurse (APRN).
