Lagos, Nigeria Dec 6, 2022 ([Issuewire.com](https://www.issuewire.com)) - [Techfynder](https://www.techfynder.com) is an active global recruitment company. Companies on our platform keep hiring daily in technical and non-technical fields. Job vacancies are a daily affair here. We assist job seekers for FREE, throughout the process of getting hired. After full registration, they can optimise their profile with resumes and referrals that will increase their chances of selection.

We assist employees in building resumes. Our social media platforms provide tips on how to write a cv in Nigeria. **Techfynder's** headquarters is in Hyderabad but has vacancies from different countries of the world that is the **UK, the US, Ireland, and India**. The companies look for jobseekers in our portal. Freshers after graduation can register here to get hired and find jobs that include **Work from-home, Onsite, and Hybrid**. For students who are passing out, registration is free for a lifetime.

Benefits of Jobseekers registering in Techfynder:

- Access to a wide range of job opportunities: Jobseekers can access a wide range of job opportunities from a single job portal, making it easier to find the right job.
- Easy application process: Jobseekers can easily apply for jobs with a few clicks, saving time and effort.
- Receive job alerts: Jobseekers can [receive job alerts](#) when new job postings are available,

allowing them to stay up to date on the latest job opportunities.

- **Networking opportunities:** Jobseekers can connect with employers by applying for the job through the job portal, allowing them to check their profile and increase their chances of finding the right job.
- **Access to resources:** Jobseekers can access resources such as resume and cover letter tips in the blog section, job search tips, and career advice to help them in their job search.

Techfynder has the internal feature of getting referrals by using their profile. Recommendations from previous employers can be a great way to help you get a new job. A positive recommendation from a previous employer can demonstrate to potential employers that you are a reliable and hardworking employee. It can also provide insight into your work ethic, skills, and abilities. Additionally, a recommendation from a previous employer can help to establish credibility and trust with potential employers.

Techfynder can help job seekers after getting a job in a variety of ways. We can provide jobseekers with access to a wide range of resources, such as job postings, career advice, and networking opportunities. Additionally, we can help jobseekers stay up to date on industry trends and news, as well as provide access to job search tools and resources. Finally, Techfynder can also help jobseekers stay connected with employers and recruiters, allowing them to stay informed about job openings and opportunities on the platform.

Optimising your profile in Techfynder is an important step in finding the right job. It is important to make sure that your profile is up to date and accurately reflects your skills and experience. When creating your profile, make sure to include a professional headshot, a clear and concise summary of your skills and experience, and a list of your qualifications in the resume. It is also important to include any relevant certifications or awards that you have received. In addition to your profile, make sure to include a list of your job search criteria. This will help employers find you more easily and quickly. Include the type of job you are looking for, the location, and the salary range you are looking for. Most of it you can mention in the resume and the rest while signing up on the platform. Once your profile is completed, it is important to keep it up to date. Make sure to update your profile regularly with any new skills or experience you have gained. This will help employers find you more easily and quickly. Finally, make sure to use keywords in your profile. This will help employers find you more easily when they are searching for candidates. By optimising your profile in Techfynder, you can increase your chances of finding the right job.
