New Delhi, Delhi Dec 26, 2022 ([Issuewire.com](https://www.issuewire.com)) - India's most prestigious Civil services Examination calls for thousands of dedicated and strong-willed youth to apply for the responsible administrative position. Here, aspiring candidates with financial or geographical constraints often fail to receive the right training and guidance from professional experts in the field of civil services.

The '**Super 100 Scholarship Test**' is a way to Civil Service coaching and guidance program for serious aspirants aiming to become IAS officers. Through this scholarship test, the top 100 aspirants preparing for the Civil Services examination will be given scholarships. The test is being conducted for admissions to the three- and two-year programs at [GS SCORE](#) and undergraduates are eligible for scholarships of **up to 70%**.

The procedure of the Test:

- The exam will be conducted in offline mode on 15th January @ 11:00 AM at test centres in 25 cities and in online mode.
- The test will consist of 50 multiple-choice-based questions (MCQs).
- The Result will be published on 17th January.
- Students will be notified via Call or SMS for further counselling.
