

Habilite Clinics - Super Speciality Clinics in Delhi Ncr, Advanced Laparoscopic & Laser Surgery

Habilite Clinics is a super-specialty clinic based in south Delhi, offering bespoke and highly advanced laparoscopic (key-hole) and laser surgeries for various abdominal and anorectal problems.

New Delhi, Delhi Dec 22, 2022 ([Issuewire.com](https://www.Issuewire.com)) - [Habilite Clinics](#) is a super-specialty clinic based in south Delhi, offering bespoke and highly advanced laparoscopic (key-hole) and laser surgeries for various abdominal and anorectal problems. The facility aims to minimize the hospital's stressful

experience and maximize comfort, care, and expertise under one roof. It is a space where you listened to, thoroughly evaluated, and offered a customized treatment.

The team is led by highly renowned and one of the top bariatric and laparoscopic surgeons, Dr. Kapil Agrawal, who brings forth his skill and expertise of 20+ years to every case he undertakes. Our dedicated and highly experienced team offers top-notch services to patients coming from across the world. Our team is determined to give our patients a seamless and hassle-free surgical experience.

At Habilite Clinics, we provide preoperative evaluation and counseling, support groups, medical follow-up, and nutritional testing. Our team offers a complete program for the surgical candidate and the people looking for a medically supervised weight-loss support option. At the clinic, we also offer customized solutions for various anorectal disorders like Piles, fistula & Pilonidal Sinus. This includes the most advanced and best laser surgeries for the management of such disorders. Our team has vast experience in performing advanced laparoscopic surgeries for Hernia & Gall Stones

Our team, led by Dr. Kapil Agrawal, performs surgeries at **Indraprastha Apollo hospital**, New Delhi, **Apollo Spectra Hospitals**, Kailash Colony, and Karol Bagh. Our team focuses on delivering patients with the latest and best minimally invasive surgical techniques. We perform single-port surgeries as a more desirable option than conventional four-port surgery.

Beyond surgery, we deliver a full spectrum of care before, during, and after the actual procedure. You can be fully assured knowing that a dedicated team of trained professionals is on hand to support you throughout your post-operative recovery.

Our team offers the following services:
