

Innovative Startup Joboffers.Live Emerges from Stealth Mode, Offering Solution to Last-Minute Offer Drops

Joboffers.live is a Data As A Resource (DAAR) platform that is designed to reduce the risk of last-minute offer drops and enable more informed hiring decisions.

Gurgaon, Haryana Jan 8, 2023 ([Issuewire.com](https://www.issuewire.com)) - [Joboffers.Live](https://www.joboffers.live), a six-month-old startup that has been operating in stealth mode, is now coming to the public. Joboffers.Live, is a revolutionary platform, which helps HR professionals reduce last-minute offer drops and find candidates who are truly committed to their job search.

Founded by **Ashutosh Tiwari (Co-founder & CEO)**, **Mohit Pandey (Co-founder & COO)**, and **Mayank Gupta (Co-founder & CTO)**, JobOffers.Live is a young and dynamic team with a vision to change the way organizations hire. Joboffers.live streamlines the hiring process and helps organizations make better, more informed hiring decisions through features such as offer shopping detection, candidate tracking, and advanced behavioural insights towards the opportunity.

So why is a young team like ours the right choice to revolutionize the hiring industry?

We believe that our fresh perspective and innovative approach are exactly what the industry needs to bring about real change. With a deep understanding of the challenges facing HR professionals today, we have developed a platform that streamlines the hiring process and helps organizations make better, more informed hiring decisions.

In just 8 weeks since launching, Joboffers.live has already garnered interest from over 250 organizations. "We are thrilled by the response we have received so far," Tiwari said. "It just goes to show that there is a real need for a solution like ours in the HR industry."

So what sets Joboffers.live apart from other hiring platforms?

Our unique features include:

- **Offer shopping detection:** Our proprietary algorithm helps HR professionals identify candidates who are "offer shopping" and not fully committed to the job.
- **Hiring cycle tracking:** Our platform allows HR professionals to track and monitor candidates throughout the joining process, ensuring that they are fully engaged and serious about the current job offer.

With Joboffers.live, HR professionals no longer have to worry about the frustrating and time-consuming process of offer drops and candidate ghosting. "Our platform is designed to make hiring easier, more efficient, and more effective for organizations of all sizes," Pandey said. Join us in revolutionizing the hiring industry with JobOffers.live together, we can bring a new light to the hiring industry and make a real difference in the way organizations hire.
