Bengaluru, Karnataka Dec 24, 2022 ([IssueWire.com](https://www.issuewire.com)) - Kouser Shaikh, the founder, and CEO of Flohaan, the luxury flower gifting company, Personally delivered the company's first order to a customer on their birthday. The special occasion bouquet, which was ordered by the customer's loved one, was a surprise for the birthday celebrant and left them feeling very happy after receiving the thoughtful gift.

The bouquet, which featured beautiful red, pink, and yellow roses along with other flowers, was presented in a black square Flohaan luxury box. Flohaan, which was founded just a few months ago, has already gained a reputation for its beautiful bouquets and exceptional customer service. In addition to a wide selection of fresh flowers and arrangements, the company also offers a variety of gift options to accompany each bouquet.

Kouser started Flohaan with the goal of providing the best possible flower gifting experience for customers. "We are dedicated to offering only the freshest and most beautiful flowers, as well as top-notch customer service," she said.

"I was so pleased to be able to personally deliver this special order and see the joy it brought to the customer," said Kouser. With this successful first delivery, Flohaan is looking forward to continuing to grow and serve its customers with the same level of excellence. "We can't wait to see what the future holds for Flohaan," said Kouser.

As word of Flohaan's high-quality products and services spreads, the company is poised for even more success in the future. "We are so grateful to our customers for their support and we are committed to continuing to provide the best possible experience for them," said Kouser
