

Making it easier - Affordable Sydney Accommodation for Overseas Students

And it's more affordable than you think!

Sydney, New South Wales Dec 15, 2022 ([Issuewire.com](https://www.issuewire.com)) - Finding accommodations in Sydney on a limited budget is a challenge. There are many options, but Sydney's business, [Student Accommodation Sydney](#) (SAS), has made it easy for Students studying in Sydney.

Their model is to rent overseas student accommodation with one fee that includes all bills. Taking the headache out of paying bills for students means less stress. When renting an apartment, you must get accounts with utility providers. This way, students can avoid bill shock, avoid putting down deposits and save time.

There are 6 locations in Sydney with varying types of apartment accommodation. All have all the mod

cons and are close to Sydney University and the UTS, transport, and shopping centres.

And it's more affordable than you think!

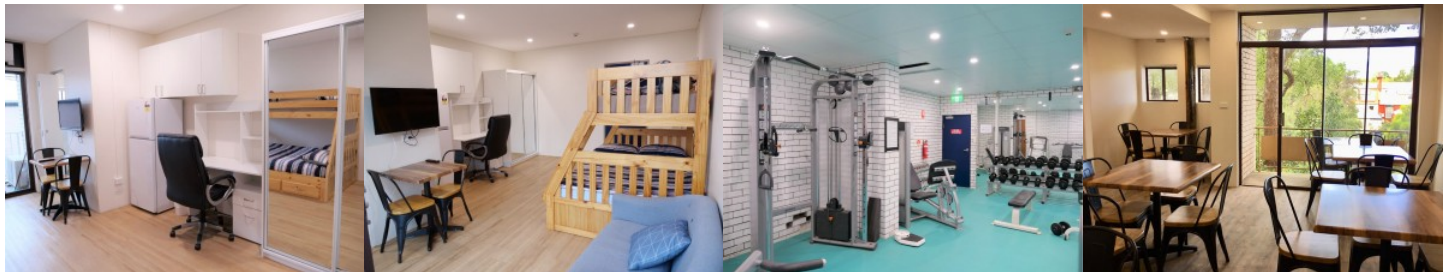

SAS offers Micro apartments in 3 locations, suitable for 1-2 people with [Rosebank Student Lodge in Sydneys Glebe](#) their latest offering.

There is also a Townhouse Style housing complex where students can opt to live in a share house arrangement for up to 6 people per Townhouse.

All accommodation has been specifically designed for students.
