

MedReleaf Australia – Wholly owned subsidiary MedReleaf NZ receives its Medicinal Cannabis Licence in New Zealand

Three products available soon.

Brisbane, Queensland Dec 7, 2022 ([Issuewire.com](https://www.issuewire.com)) - MedReleaf Australia. (the "Company" or "MedReleaf"), The company is backed by more than 50 years of pharmaceutical and healthcare expertise, today announced that its wholly owned subsidiary Indica Industries Ltd t/a MedReleaf NZ (the "Company" or "MedReleaf NZ") has received its Medicinal Cannabis Supply Licence from the New Zealand Ministry of Health – Medicinal Cannabis Agency.

Activities authorised by this licence include the ability to procure any starting material, cannabis-based ingredient, or medicinal cannabis product. The licence allows for the import of products into New Zealand and the supply of medicinal cannabis products to New Zealand pharmacies.

MedReleaf NZ has also been approved to supply three products by the New Zealand Ministry of Health. Currently, plans are underway for product launches into the New Zealand medical market in early 2023. The MedReleaf Prescriber Program will also be available to New Zealand Doctors who want to learn more about Medical Cannabis and its role in patient care.

Jon Lamb – MedReleaf NZ Director says: "The doctors, pharmacists, and patients of New Zealand will soon have access to some of the highest quality and innovative medical cannabis products manufactured under the most stringent conditions in Canada, and I look forward to assisting in the launch of our initial range and assisting GPs to provide access for patients of our country"

Russell Harding, MedReleaf Australia CEO – says: "This is an important milestone for MedReleaf Australia, our New Zealand subsidiary MedReleaf NZ and Aurora Enterprises, with all three teams having worked diligently with the Ministry of Health to obtain Registrations for three of our quality dried EU-GMP medical cannabis products. We look forward to seeing these well-established and premium brands being prescribed by New Zealand GPs and specialists for the benefit of patients in need of assistance with their chronic conditions".
