Under his mentor Jennifer Hudson, Chris continued to advance in the competition, finishing in the Top 24. Weaver made history when he was brought back to perform in the season finale, a first for *The Voice* to bring back a contestant as talent. On December 25, 2020, Chris Released his Christmas single "**Mary Did You Know**," winning the Akademia Award 2020 for the best new song. In November of 2021, CJW signed with Sound Herd Records.
